

PENDANT LIGHTS

# Bluebell

Scalloped woven abaca pendant light

*A scalloped bell of hand-woven abaca, edged in black and finished with walnut, that glows softly through the weave.*

## Ordering information

Catalogue numbers are Tiixo reference numbers. Every configuration of Bluebell currently offered, with its catalogue number. Quote the catalogue number when ordering or contacting us.

### CONFIGURATIONS

| SIZE               | CATALOGUE NO.  |
|--------------------|----------------|
| Small · Ø 15.7 in  | TX-PD-46048-01 |
| Medium · Ø 19.6 in | TX-PD-46048-02 |
| Large · Ø 23.6 in  | TX-PD-46048-03 |

### CARE & MAINTENANCE

Switch off and let the fixture cool. Dust with a soft, dry cloth; no solvents or abrasive cleaners.

### WARRANTY & RETURNS

Covered by the Tiixo limited warranty. Returns accepted within 30 days of delivery, unused and in original packaging, with no restocking fee. If it arrives damaged, send a photo within 7 days and we ship a replacement first.

| INSTALLATION      | Hardwired ceiling mount on a 59 in adjustable cord, sloped ceilings up to 30°, indoor dry locations only; licensed electrician recommended |

WIRING (GENERAL GUIDANCE)

| FIXTURE WIRE          | CONNECT TO |
|-----------------------|------------|
| ● Black (or ribbed)   | Line / hot |
| ○ White (or smooth)   | Neutral    |
| ● Green / bare copper | Ground     |

1. Turn power off at the breaker and confirm it is off with a non-contact tester.
2. Fix the mounting bracket to a ceiling junction box rated for the fixture's weight, using the hardware supplied.
3. Make the connections above with approved connectors and fold the wires neatly into the box.
4. Fit the canopy, install bulbs within the rated wattage, restore power and test.

BEFORE YOU INSTALL

- ☐ A ceiling junction box rated for the fixture's weight
- ☐ Supply voltage confirmed for your region
- ☐ Ceiling height measured, so the fixture clears walkways
- ☐ A dimmer, if used, rated for the light source
- ☐ A second person or a stable ladder for lifting the fixture
- ☐ Power off at the breaker before any work begins

PLACEMENT GUIDELINES

OVER A TABLE

Hang the bottom of the fixture 30–36 in (76–91 cm) above the tabletop; choose a width about one-half to two-thirds of the table.

OVER AN ISLAND

Space multiple pendants 24–30 in (61–76 cm) apart, 30–36 in above the counter.

OPEN AREAS

In halls and living spaces keep at least 84 in (7 ft / 213 cm) clear underneath; add about 3 in of drop per foot of ceiling above 8 ft.

**Safety.** Turn off power at the breaker before installing. Installation must follow local electrical codes (the NEC in the US). We recommend a licensed electrician for every hardwired fixture. Never exceed the rated wattage.

Questions before or during install?

Call or text (813) 790-7240 · support@tiix.com  
9am – 5pm Eastern, seven days. We reply within 12 hours.  
**Returns.** 30 days from delivery, no restocking fee.
