FROM THE PRODUCT LISTING

The small 7.1 in / 18 cm size suits a bookshelf, bedside table or desk corner. The large 11.8 in / 30 cm size holds its own on a mantel, console or entry table. Both sit flat on the brim and need only a nearby USB source.

Dust with a soft, dry cloth. For fingerprints, use a barely damp cloth on the glass only and keep moisture away from the base and cable. Handle by the brim, not the tip.

CARE & MAINTENANCE

Switch off and let the fixture cool. Dust with a soft, dry cloth; no solvents or abrasive cleaners.

WARRANTY & RETURNS

Covered by the Tiixo limited warranty. Returns accepted within 30 days of delivery, unused and in original packaging, with no restocking fee. If it arrives damaged, send a photo within 7 days and we ship a replacement first.
